About us

Sisters. Co-founders. Best Friends.

These girls are both like-minded, driven, passionate and tenacious. As founders of f&n wedding planers in 2008, they are committed to providing their couples with gorgeous and unique styling products and ensuring they service each and every client to exceed their expectations.

Real Weddings

This is what makes us tick. Transforming a space and seeing our couples faces as they walk down the aisle to their ceremony or into their reception room. It's magical to see that what we create for them, can take their breath away.. They start their journey with us as clients and finish as our good friends.
